UNIVERSITY OF ILLINOIS

The Hispanic Society of America has presented to the Library an important and valuable collection of Spanish books and periodicals. The lot includes about 140 volumes. The cost of the collection if purchased would be approximately \$650.

The Library is indebted to Mrs. E. H. Woodward of Newberg for a fine lot of the Newberg Graphic needed to complete the file here. The gift includes about 20 volumes nearly complete, besides odd numbers lacking from our files. The Library's file includes vol.1, 1888, to date with the exception of volume 7, most of volume 6 and a few other scattering numbers. Mrs. Woodward is the widow of the former editor of the Graphic.

Following are among the recent additions to the Library:-
